We would like to invite you to...

Salesian College

...for our open evening on the 15th of September!

Dear Future Salesian College Students and Parents,

Firstly, let me extend a huge welcome! We are delighted you are thinking of joining us and very much hope that you are able to.

Joining Salesian is like joining a family; we are members of a global community and love is at the heart of everything we do. Our teachers are all passionate about their subjects and, in choosing to continue with further study, we expect you are too. We are happy to offer a wide range of A Level, BTEC and T-Level courses, with the vast majority of our students following three courses over two years. As a fully comprehensive College we welcome students and those from neighbouring schools, as well as our own Year 11 students.

We very much hope that you are able to attend our **College Open Evening on 15th September.** Welcome talks are at either **17:45** or **18:30** in the Centenary Hall and will provide you with an opportunity to learn more about the College and our ethos. Please do then use the remainder of the evening to tour the site and speak to teachers about the qualifications we offer. Online applications will be open from **Monday 17th October** and close on **Friday 16th December.**

I know that making this decision about where and what to study for the next two years of your education can be a daunting prospect. I hope that the information provided will give you a true insight into our offering and make you confident that an application to Salesian College would be a fantastic decision.

Should you have any further questions please feel free to email me at the address below. Wishing you all the best in your GCSEs and I look forward to welcoming you back in September!

Kind regards,
Elizabeth Bolton
Deputy Headteacher – Head of College
