## Key Stage 3/4/5 Acceptable Use of Technology Policy Agreement

I understand that Salesian School's Acceptable Use of Technology Policy will help keep me safe online at home and at school. I understand that I must use school systems in a responsible way.

- I know that technology including school computers, tablets, laptops, and internet access has been provided to help me with my learning and that other use of technology may not be allowed. If I am not sure if something is allowed, I will ask a member of staff.
- I know that my use of school computers and devices, systems and on-site and off-site internet access will be monitored to keep me safe and ensure policy compliance.
- I will keep my password safe and private as my privacy, school work and safety must be protected.
- If I need to learn online at home, I will follow the school remote learning Acceptable Use of Technology Policy.
- I will write emails and online messages carefully and politely as I know they could be forwarded or seen by someone I did not intend.
- I will only use social media sites with permission and at the times that are allowed.
- I know that people I meet online may not be who they say they are. If someone online suggests meeting up then I will immediately talk to an adult and will always arrange to meet in a public place, with a trusted adult present.
- I know that bullying in any form (on and offline) is not tolerated and I know that technology should not be used for harassment. I will report any incidents of bullying to an adult.
- I will not deliberately upload or add any images, video, sounds or text that could upset, threaten the safety of or offend any member of the school community.
- I understand that it may be a criminal offence or breach of the school policy to download or share inappropriate pictures, videos, or other material online. I also understand that it is against the law to take, save or send indecent images of anyone under the age of 18.
- I will protect my personal information online.
- I will not access or change other people files, accounts, or information.
- I will only upload appropriate pictures or videos of others online and when I have permission.
- I will only use my personal device/mobile phone in school if I have permission from a member of staff and understand the school's/ college's mobile phone policy.
  - **KS3/4** - At school mobile phones must be switched off; phones and headphones must be out of sight at all times and not used on the school grounds before 3:30pm. Phones that are used or go off (except with a teacher's permission) will be confiscated. Should the phone be confiscated, and it be the first occasion, the phone will need to be collected by parent/s following a meeting with a member of the leadership team. The second confiscation, will lead to the phone being held by the school for three weeks. Other devices such as e-readers and tablets may be used for reading or other academic purposes, at students' own risk, and at the discretion or direction of individual teachers. They may not be used for entertainment or personal purposes during the school day. Misuse will result in confiscation and withdrawal of permission to bring the device to school for the student concerned.

- **KSS** - Due to the potential disruption to learning and teaching caused by students using mobile phones in lessons, mobile phones should be switched off whilst in lessons and kept in bags or out of sight. If any student is seen with his/her phone out or in use during a lesson, the phone will be confiscated by the teacher and passed to a member of the College Leadership Team. Students will be able to collect their phone at the end of the school day. The exception to this is if students are directed to use their phones by a member of the teaching staff. Personal devices are permitted where they are used to support learning.
- I will respect other people's information and copyright by giving a reference and asking permission before using images or text from online sources.
- I will always check that any information I use online is reliable and accurate.
- I will make sure that my internet use is safe and legal, and I am aware that online actions have offline consequences.
- I know it can be a criminal offence to gain unauthorised access to systems ('hacking'), make, supply or obtain malware or send threatening and offensive messages.
- I will only change the settings on the computer if a teacher/technician has allowed me to.
- I know that use of the school ICT system for personal financial gain, gambling, political purposes, or advertising is not allowed.
- I understand that the school internet filter is there to protect me, and I will not try to bypass it.
- I know that if the school suspect that I am behaving inappropriately with technology, then enhanced monitoring and procedures may be used, such as checking and/or confiscating personal technologies such as mobile phones and other devices.
- I know and understand that if I fail to comply with the Acceptable Use of Technology Policy I will be subject to sanctions. This may include loss of access to the school network/internet, detentions, exclusions, contact with parents/carers and in the event of illegal activities involvement of the police – amend according to school policy
- If I am aware of anyone trying to misuse technology, I will report it to a member of staff.
- I will speak to an adult I trust if something happens to either myself or another pupil which makes me feel worried, scared, or uncomfortable.
- I will visit [www.thinkuknow.co.uk](http://www.thinkuknow.co.uk) [www.childnet.com](http://www.childnet.com) and [www.childline.org.uk](http://www.childline.org.uk) to find out more about keeping safe online.
