

Unifrog

The Complete Destination Platform

Unifrog is an award-winning, online careers platform. Students, together with their parents and carers have access to this platform from Years 7-13. The website is designed to support students in making the most informed decisions about their futures and has a range of tools that are suitable for all year groups. Each student has their own personal account that provides a wide range of information related to their interests and aspirations. Key features of the platform include:

Exploring Pathways – personality quizzes, career and subject profiles, MOOCs and webinars

- Recording – self-reflection about extracurricular activities and key employability skills
- Opportunities – search tools showing live vacancies/courses/placements for apprenticeships, universities (in the UK and abroad), FE, virtual work experience and much more
- Applications – tools to help students build applications for a range of pathways (e.g., CVs, Personal Statements, Common App Essays)

The Unifrog tools

Access all tools on Unifrog to learn what options are available, access good quality information, and search for opportunities to support your child.

On joining Salesian, students will register and create their accounts in the spring term of Year 7 and thereafter students will use Unifrog during PSHE lessons each year to complete different careers activities. Students can also use Unifrog at home and on the go as the platform can be accessed on smartphones, tablets and desktops.

We have also set up a parent and carers login so that you can use Unifrog as if you were a student yourself, allowing you to support your child throughout the process. The form code you need is: **SCLUPARENTS** and you can sign up as follows:

Parents & guardians, get signed up!

Go to www.unifrog.org/student and click 'Sign in for the first time'

You'll be asked for some details and a Sign up Code. This is what you need:

SCLUparents

After signing up, log into Unifrog using your email address and password via the student sign-in page!
