## College Mobile Phone Policy

Last reviewed: June 2023

Dear Students and Parents,

Due to the potential disruption to learning and teaching caused by students using mobile phones in lessons, mobile phones should be switched off whilst in lessons and kept in bags or out of sight.

If any student is seen with his/her phone out or in use during a lesson, the phone will be confiscated by the teacher and passed to a member of the College Leadership Team. Students will be able to collect their phone at the end of the school day.

The exception to this is if students are directed to use their phones by a member of the teaching staff.

We are grateful for your support in everything we do at Salesian to ensure that your child is educated in a safe and disciplined environment.
