

2023 Leaver Destinations

Where do our students go when they leave Salesian College?

After leaving Salesian College Sixth form, the vast majority of our students progress to a wide range of universities. This year saw a slight increase in students who are choosing to apply for Apprenticeships, taking a gap year or going into full time employment.

University Destinations

147 (81%) students went on to study at university in September 2023. 48 % accepted a place at a Russell Group University and 57% accepted a place at a Top 30 Sutton Trust University. These universities are deemed to be the most selective, research-intensive universities in the UK. Popular RG university destinations included: Bath, Nottingham, Leeds, and Birmingham. 3 students accepted places at Cambridge and Nottingham to study Medicine.

Apprenticeships

Students wishing to apply for an apprenticeship are supported throughout their time at Salesian College through a variety of events and workshops run by organisations such as ALPS and Capgemini and attend the UCAS University and Apprenticeship Fair. Students also have regular one-to-one appointments with a career adviser from Innervate Careers Company to support them in their apprenticeship research and application.

In 2023, Salesian College students went on to apprenticeships with organisations such as BP, TNT, and Race Technologies, Autofina
