

Dear Parents, Guardians and Carers,

I hope this message finds you well, only a short one this week.

Examinations

Despite the poor quality of the train service into Chertsey this week the GCSE and A' Level examinations have started well. The timetable for the upcoming examination can be found here [Exams 2024 - Salesian School](#)

Careers

Between 24-28 June Year 12 are on their work experience week. Work experience plays a crucial role in allowing our students the opportunity to gain insight into various professions, develop essential skills, and make informed decisions about their future careers. We are currently looking for placements in the following industries: Computer Science, Law, Architecture, Media, Finance, BioChemistry, Physics, Engineering and Business. If you can help by hosting one or more of our Year 12s please get in touch by emailing Mrs Petheram at lpetheram@salesian.surrey.sch.uk, I know she will be eternally grateful!

Key dates

Date	Event
Tuesday 21 st May 2024	Year 13 Leaver Mass & BBQ

Wishing you a lovely weekend now that the sun has finally decided to turn up!

God bless,

Paul Gower | Headteacher
Salesian | Chertsey
