

HOW WILL YOU STUDY?

You will spend 80% of your time in the classroom and 20% on a work placement to equip you with the knowledge and skills companies are looking for.

INDUSTRY PLACEMENTS

Every T Level will include an industry placement with an employer focused on developing the practical and technical skills required for the occupation. These will last a minimum of 315 hours (approximately 45 days) but may last longer.

GRADING AND CERTIFICATION

Students who complete their T Level will receive an overall grade of pass, merit, distinction or distinction*. They will get a nationally recognised qualification which will show their overall grade alongside a breakdown of what they have achieved.

SKILLS AND TOPICS COVERED

- ↑ Overview of childcare and education topics from ages 0-19, including childcare provision;
- ↑ Child development and expected patterns of children and young people's cognitive, physical, social and emotional development;
- ↑ Supporting education with an overview of current curricula and their application, and understanding current theories and pedagogical approaches to education;
- ↑ Safeguarding, health, safety and wellbeing including statutory guidance and legal requirements;
- ↑ Special education needs and disability;
- ↑ Behaviour, observation and assessment;
- ↑ Equality and diversity:
- ↑ The importance of working with parents, carers and wider families.
