Dear All,

I hope everyone is enjoying a peaceful weekend and managing to make it feel a bit different to the routine of the week.

Every family should receive another phone call this week from a member of staff, please let your child's Head of Year know if you don't hear from anyone. The main purpose of the call is to check up on the well-being of your family and gather feedback on the home learning now we have been back for a week. We are aiming to do a round of calls once a fortnight but please don't wait to hear from us if you're struggling, just get in touch.

Thank you to all of you who have supported our various fundraising campaigns, we have been bowled over by your generosity. Thank you to all those who have been sending in pictures and videos of what you and the family have been up to, we've been particularly enjoying some of the responses to the Salesian 7 Challenge! Finally, thank you for everything you continue to do to support your son and daughter in their learning; we hope you are finding that the provision is becoming more manageable, varied and engaging. We appreciate how difficult the circumstances are that some of you are facing and are truly grateful for the efforts you are going to, to continue making the children's education a priority.

Please continue to check the school website for all the latest information and support.

You all continue to be in our prayers and we are most grateful to you for yours,

God bless,

James Kibble
