

# Year 11 Bulletin

## Episode 22

### The Final Edit

## Episode 22 – The Year 11 Bulletin

### **Week – Summer Term**

My last bulletin! To be honest, I have no idea of the readership of these now. I imagine most people have dropped off the mailing list, but I like to imagine you are all waiting on tenterhooks to see what exploits I've been up to.

#### ***Thank you***

Firstly, I would like to say a massive thank you to you all for being so wonderful. Not just through the dreaded 'C', but since September. From my first assembly on our vision to build a legacy (which we have certainly done) to saying goodbye on the steps of the Yard. I really do hope you are all keeping well and look forward to seeing a lot of you in September and the rest of you when you pop back and visit.

#### ***Go Well***

In addition saying thank you, I want to say a massive GO WELL. Whatever it is that you are moving on to do, A Levels, BTEC's, Apprentices etc. I wish you all the best. Salesian has prepared you so well to take on any challenge, and there have not been many year groups who have had to find as much resilience as yourselves. You are ready for the next stage and you will go on to do great things!

#### ***Theme of the Week - Sewing the Seed***

This gospel is all about where the seed falls. For a seed to grow its soil must be prepared. A seed, in the right conditions, can grow into a mighty tree. I love this parable and I love its timing for you all. Salesian has always been about preparing you to grow. It has given you opportunities, both in and out of the classroom, providing experiences such as trips, talks, guest speakers, charity events etc. This has enabled you to be successful. And I hope on the 20<sup>th</sup> August that success is provided in one form of reward, your GCSE's. What is important is that you keep your soil in a condition where you can continue to grow. Keep involving yourself in opportunities that challenge and stretch you. Keep pushing your limits. Keep failing forwards and learning always.

I cannot wait to hear what successes you all go onto achieve. If this is it for you at Salesian, please keep in touch. If you have the pleasure of my company next year, I look forward to seeing you then!

God Bless!

# Prayer

Dear Lord,

I pray for each and every Year 11.

Thank you for their enthusiasm, kindness and sense of fun. Thank you for their resilience and ability to push through harder times.

Thank you for their families and the support they offer. I pray for everyone in our Salesian Community throughout the summer. I pray they stay safe and know your love throughout.

Amen
