

COVID-19- 16-19 Tuition Fund Catch Up Funding Statement

Aim

The aim of this statement is to outline how the school has used the funding received from the 16-19 Tuition Fund.

Funding Eligibility

The school has 7 students eligible for the funding and received a total of £1,047 for the Academic Year 20/21.

Use of Funding

This funding has been used to support those students who have failed to achieve grade 5 in English and Maths. The support offered to these students includes:

- one to one TA support;
- additional small group teaching of English and Maths on a Wednesday afternoon delivered by senior teachers in their respective disciplines;
- purchasing of resources to support students with their learning books and equipment;
- one to one sessions each week with their Head Of Year to identify where additional support is needed and to review the impact of their additional sessions, resources and equipment.
